(N) Venezuela
(Y) Guyana

Including all offshore installations located within its Exclusive Economic Zone, which is deemed to extend 200 nautical miles from the coast of mainland Venezuela.
 But this area;
 (i) shall not include any installations in the above area which are in the territorial waters, out to 12 nautical miles, of Islands, Dependencies or Countries which are not owned by Venezuela
 (ii) shall not apply to vessels or craft transiting Venezuelan waters. However, when transiting, such vessels or craft shall not call at any port or place or interrupt their passage to engage in the transfer of cargo, stores, personnel or the like.

Calls to Offshore Installations in the Guyanese EEZ beyond territorial waters only

12 nautical miles area
 12 nautical miles area
 This exclusion area shall not apply where the vessels or craft are transiting these areas and where such vessels or craft do not call at any ports and/or places therein.
