

Wild Fauna and Flora Clause

It is understood and agreed that;

- (1) no claim will be paid unless the trades of the goods covered hereunder are lawful in the light of any rules, regulations and/or laws enforced in compliance with the Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES, so-called "Washington Convention") in each country of origin, export, re-export or import,
- (2) the assured, if required by this Company, shall submit certificates, permits, vouchers and/or other documents showing that the trades are not inconsistent with the above rules, regulations and/or laws,

and
- (3) this Company shall have the right to investigate facts and legality in respect of the trades in case of claims being presented.
